“ I was Cindy's roommate this year at Elevate care. Even though she was weak and in pain, we had an immediate friendship. My sister loved Cindy too. To my surprise, I recognized her brother Arthur in from the senior center I belong to. Our friendship got even closer. I ran into her sister in law yesterday and she shared about Cindy. Cindy stays in my heart.

“ Cynthia's passing is a loss for the entire Lathrop Community. She was a tireless warrior dedicated to preserving public housing at Lathrop and hold CHA accountable. It was a privilege to work with her on the Lathrop Leadership Team and see her dedication to the cause despite her physical challenges. Rest in power, dear sister.
