

## Daniel Kunz

January 22, 1955 - February 17, 2025

Daniel Kunz, 70, of Chicago, passed away February 17, 2025.

Born in Chicago's Lakeview neighborhood to a large family. Sometime in the early 80's Danny drew (friends and family painted it) a semi-famous Led Zeppelin mural between Fullerton Beach and Diversey Harbor. Family and friends would say "meet at the Zeppelin". Daniel cared for his mother, Sue Kunz in the family home until the end of her life. He was quiet, introverted and loved to watch all Sunday football games.

Daniel is survived by his siblings Robert "Bobby" Kunz, Richard "Rickey" (Micky) Kunz, Shirley (Ed) Moses Kunz, and Edwin "Ed", Kunz; and also by his caring nieces Michelle and Samantha Kunz, who helped Daniel live his best life and also by his neighbors Larry and Niki, who helped when needed, unselfishly and willingly-- they are the best people ever! Fond Uncle of many.

Preceded in death by parents Joseph and Sue Kunz, and siblings Joseph Kunz Sr., and Rita Jo, Errol, Johnny "John" and Anthony "Buddy" Kunz.

The family has selected a private cremation.

“ My baby brother! While i didn't see you much in later life, I have fond memories of our childhood and the early years, with you blaring BLACK SABBATH when I would visit Mom's house. To this day, whenever I hear them on the radio, I smile, mention it to my husband and we talk about you and 'the good old days!' I know you had health struggles the past several years. Rest in peace, brother, and enjoy your eternal life with your closest brother 🙏 and friend Errol. Love, your sister Shirley.
