

Eva Buehler

July 6, 2025

Eva Buehler, beloved 16-year-old Cockapoo of Skokie, passed away after a journey with Cushing's Disease and a sudden neurological decline.

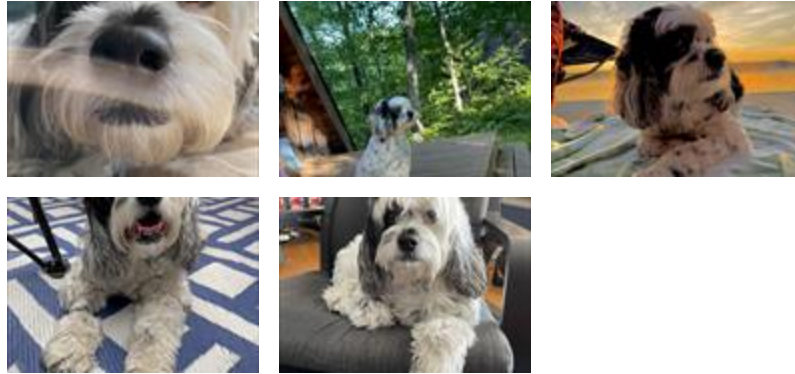

She was the heart of the Buehler home, always happy, playful, and endlessly loving. Eva filled her days with simple joys: barking along in a trio with Stacy and Laken as they sang together, sniffing the breeze from her favorite spot in the yard, or cruising on the boat with her ears in the wind. She was deeply in tune with the rhythms of her family, always nearby, always herself, just the bestest girl.

She brought immense joy, laughter, and comfort to her humans Stacy, John, and Laken, who miss her more than words can say.
