

## Eve Besser

February 10, 1979 - February 9, 2025

Eve Danielle Besser, “Savvy”, 45, passed away unexpectedly in her sleep on February 9, 2025.

Born in Melrose Park, Eve attended Addison Trail High School and graduated from Glenbard East High School before going straight into the military. She served eight years and was sent to Border Patrol in South Korea and also helped build schools in Belize with carpentry and masonry work.

Eve studied Early Childhood Education at the College of DuPage and ran several daycares in DuPage and Kane County. She also raised many cats (had nine at her last residence in DeKalb). Eve had a childlike innocent nature of her own. She was a huge 21 Pilots fan and took her little sister to many rock concerts when they were growing up, including Nine Inch Nails and Metallica.

Eve had recently achieved sixty days of sobriety and was doing everything right to reclaim her life when she passed due to what appeared to be natural causes.

Loving mother of Chloe Rayne (Kianna) Besser, Belize “Bella” aka “Rachel” Noelle Jones, and Ziggy James Thorn. Cherished daughter of Mack James Besser II and Carol Ann Besser (nee Chambers) of St. Petersburg, Florida.

Dear sister of Camille Alyssa Besser and the late Mack J. Besser, III. Lifelong friend of Maura Butvilas (Joel) Irizarry.

The family has chosen a private viewing and cremation.

A celebration of Eve's life is being held Saturday, April 12, 3-6pm (eulogies begin 4pm) at Live Wire Lounge, 3394 N. Milwaukee Ave. Chicago, IL 60641.

“ I met sweet Eve Besser when she was a little girl around 1983. Her mother, Carol and I joined a babysitting co-op and continued helping each other out with childcare for many years after the co-op fell through. Carol, Mack and I became instant friends and still are to this day. My 5 children and Eve and her 2 sibling would play together throughout their childhood years. Eve and I had been writing, texting and talking to each other for the past 8-10 months while she was working on some personal issues. Eve was the sweetest, loving and caring person. She had such a positive attitude and outlook on life. She will be missed greatly. She is gone way before her time. I Love you Eve.

“ Eve was one of my besties. She became a little sister to me. In my eyes she could do no wrong. I loved her. We raised our kids together. She became a 2nd mom to all 4 of my kids. We walked together with eyes looking towards heaven. A daughter of God. Eve struggled in this life. Oh did she struggle, but she didn't loose her faith. May she rest in peace, her race is over.

“ I had a whole thing typed out and it refreshed on me, which tells me I need to keep this short and sweet. Paranormal and universal signals were mine and Savvy's thing. We have so many memories I couldn't possibly choose one to share. This world is a little bit more dim. I will continue to write down my memo so I may post them as I go along. My sincere condolences to the family. I will cherish my relationship with your family from now on ❤️ paint me green and call me a pickle..
