“*Fran was my big sister. I remember how beautiful she was. She was a redhead then. She was always smiling. That's what everyone loved about her. I will miss her very much. We had great times together. Rest in peace Fran. You deserve that. God bless you. Amen*

RB

Frannie and Ray loved life together and always enjoyed each other's company. They worked hard, Frannie as a Mom and Ray at work. God Blessed them with 5 kids and they raised them together with a strong faith.

DP

This was my mom. I'm the middle child. I know my ma would want us all to get along and start over and it's not changing as hoped. I can't understand it anymore. I did what I could for her and in the end. I have to learn to let go now. Sorry ma, I tried my best. Love Diane (also Evan's grandma)

Diane Pech - December 23, 2022 at 06:52 PM

MA

Mom you were a strong and spirited person. I have fond memories of looking out for you in the audience when I was a kid during school concerts and you were always there to support me. I'm so grateful that you were close with my daughters. Your face would light up and you had a big smile when you would visit with them. I'm glad you had all those silly conversations with Brooke and she and Evie both had some time to be with their grandma and just talk and laugh. Thank you for the many good memories I will hold close to my heart. I miss you and daddy dearly. Until we meet again in the next chapter. Love you always, Maria, Mike, Evie and Brooke.

My dear MOM,

I want to THANK YOU for all the family get togethers you had for all of us when we were younger. They were so much fun. I've always loved your fiery & adventurous spirit & your sense of humor. And where did you get all that energy from? Half the time, I thought you were 20 years younger than me. I THANK YOU for being so good to me as I got older. We did many things together n I really enjoyed your company. You were so caring & sweet to me many times. May you be in the glorious LOVE of GOD & have comfort & peace. I miss you & Daddy so much every single day. I LOVE you both with all my heart, mind & soul.

Always & Forever.
