

John Dzul

February 22, 1950 - November 17, 2025

John Dzul, 75 passed away peacefully on November 17, 2025, leaving behind a legacy of quiet strength, steady generosity, and a gifted mind that never stopped working.

From an early age, John had a natural talent for understanding how things worked. Numbers and math came easily to him; whether in the form of a puzzle, a budget, or a complex problem; it was something John approached with enthusiasm and patience. That same curiosity and skill carried over into John's love of working on cars. What began as a hobby grew into a lifelong passion: engines, wiring, and machinery all made perfect sense in John's hands. If something was broken, John could fix it, often with nothing more than a toolbox, determination, and a nod that said "give me a minute".

Beyond his practical talent, John was a loving presence in the lives of those fortunate enough to know him. John valued hard work, honesty, and the simple joy of figuring things out; values that shaped not only his work but the way he cared for others.

John was the cherished husband of Anna of 52 years, loving father of Michelle (Mike) Brouillette, Nicki (Patrick) Stembridge. Brother of Sabina (Tony) Dobrzanski, Stanley (Mira) Dzul and the late Andy Dzul.

Brother-in-law of Paula Ponczko, Emilio Pointes, John (Paula) Zawojski, and Jack (Zosia) Zawojski. Uncle of Olyvia Dzul, Kasia (Jill) Parsley, Eric (Eva) Ponczko, Jenna and Paul Zawojski.
