

## Margo Elizabeth Fagerberg

October 19, 1969 - May 10, 2024

Margo Elizabeth Fagerberg, 55, of Chicago's Jefferson Park neighborhood, born in Dekalb, Illinois, passed away May 10, 2024.

Margo was an Investigator with the United States Department of Labor, Office of Labor-Management Standards (OLMS). She served in the Air Force National Guard and was also in the Peace Corps, stationed in Moldova. Her work was of great importance to her, yet her husband never felt second. Margo was a voice and advocate for the weak and for those who could not speak for themselves. Her spouse Laurentiu will forever acknowledge her as "One of God's Angels".

Margo's ear-to-ear smile, colorful laugh, and beautiful red curly hair are instilled in our memories forever.

She had a great sense of humor, high level of respect. She was all at once soft-spoken and gentle yet also the toughest in the world, as she was dedicated to her beliefs.

A cup of Lady Grey tea, a good book, classic music, and lily of the valley were some of her favorites.

She felt most at home in Washington, D.C. and Venice, Italy.

Margo is survived by her loving husband of 25 years, Laurentiu Zamurca, parents Dennis and Patricia Fagerberg, siblings Greg and Doug, and cats Boomer, Sooner, Diesel, and Micuta.

Margo had an unshakable conviction to our planet and will be buried in an all-natural setting on Sunday, May 19, 12noon, at Casper Creek Natural Cemetery in Galena, IL.

Attendees are encouraged to bring purple flowers, as this was her favorite color.

In lieu of flowers, donations may be made in her name to the Anti-Cruelty Society: <https://anticruelty.org/>, as Margo rescued numerous cats over her lifetime.

“ Margo is uplifting. She has enriched my life in joyous as well as painful occasions. She has been by my side in all the significant events in my life radiating love and happiness. She has shared her wisdom and helped me gain new perspectives how to make things better. She encourages me to move past my comfort zone. We shared many adventures. With her by my side, it was not stressful to drive through a tornado. I remember we were driving in Iowa at speed limit while all other vehicles were parked on the shoulder. It was funny that when Margo turned on the radio to find out what was happening, we heard a tornado had just touched down and we saw the exit for the town. I will continue to cherish her friendship and the bond we share and will keep her in my prayers always. Claudia Guerra-Mazur, U.S. DOL.

“ Margo was the kindest person I've known, and I don't say this lightly. First and foremost, she was always concerned for the wellbeing others. When my granddaughter Madeline passed away, she took a train to St. Louis and drove back to Chicago with me, so I didn't have to make the trip home alone. Margo had countless attributes - her marvelous and beautiful mind delved into the science of all matters big and small. She was relentless and meticulous about discovering ways to understand and improve any situation, be it through her work as an investigator or in her personal relationships. She had so many ideas and opinions! Even though our contact diminished once I transferred to St. Louis, I treasure our lively and insightful conversations. Margo will always hold an important place in my heart.
