“ I hadn't spoken to Mike in decades, and some of us had been searching for him for years on the internet. Mike and I went to St Phillips and then Aurora Central Catholic, where we lived together in a dorm. We had great times; teammates in football and swimming, which he did well at, class trips, staying overnight at his house drinking Petro's J&B, doing stupid stuff he wouldn't want talked about. Rest in peace Uke, a damned good man.....Jim
