Miyake

5/6/10 - 11/24/25

A wide-eyed, silver-white feline moon

A warm purring crescent, a night-time spoon

Kept time to life's daily rhythms, aqua eyes read the room

Always nearby at work or to listen to tunes.

I bade Godspeed to my friend, this blue Monday afternoon.

And though his fur-form has moved on, entirely too soon,

His bright, gentle spirit shines a beam through the gloom

A light of love and compassion, coaxing memories to bloom.

Tribute Wall
