

## Niko Angelo Santos

July 22, 2025 - July 27, 2025

Niko Angelo Santos, our little angel, was born June 22, 2025 and passed away the morning of June 27, 2025 from N.E.C. (necrotizing enterocolitis). He passed away peacefully in his parents' arms at Lutheran General Hospital.

Niko was the loved son of Joshua Angelo Santos and Ausha Elizabeth Rivera.

The time he spent with us was just love and happiness. You never experience a love like that until you have your first child. Niko just made a room light up. He had a calm heart and warm smile. He had the cutest eyes that would just make you wanna' hold him and never put him down. He never left our arms for long until he left them forever.

God took you peacefully into his arms and brought you to heaven. Our baby gave us the best moments and we'll never forget them. We love you Niko.
