“ Fellow flight attendants, Pat and I reconnected prior to our 50th high school reunion. She was a real sweetheart- outgoing and engaging, and loved doing favors for friends and acquaintances, especially when it involved her great cooking. So sad to lose another member of our wonderful class of 1968! RIP...

Deepest condolences to Pat's family & friends. So grateful she attended our 50th high school reunion in suburban Detroit in 2018. Fly with the angels, dear Pat. ❤️
