“ I had the privilege of working with Rose in the County OR. Of course, we were good friends and on eye level. We had moments, but we recovered in the best interest of our patients. She was a real trooper. She seldom complained without good reason. I appreciated the friendship we had and cherish the time I shared with Rose. We have lost a beautiful loving and caring spirit. MY condolences to the family. I'm so sorry. May God embrace with hope and peace. May God grant you solace.

“ To the family of Rose, please accept my condolences for your loss. Rose worked with our ENT team at Stroger for many years and we so enjoyed her company, dedication to patient care and the way she took care of all of us. She was missed greatly after her retirement and will be with us in memory always

“ I met Momma Rose in 2002 by becoming friends with her son Tony. We would go for visits often. Her cooking was the absolute best! I cherish the conversations we had, her loving presence, and her wisdom. My condolences, love, and prayers to the entire Long family.
