

## Sheridan Gorman

July 6, 2007 - March 19, 2026

Sheridan Grace Gorman, 18, of Yorktown Heights, New York, was tragically taken from her family far too soon, leaving behind a depth of love and light that will never fade.

Sheridan was the beloved daughter of Jessica (Simonds) and Thomas Gorman, and the cherished sister of Madelon Gorman, all of Yorktown Heights. She was the center of her family's world—their joy, their laughter, their light.

She is survived by her loving grandparents: Thomas and Columbia Gorman of Brant Lake, New York; Paula Cannata of Stoughton, Massachusetts; and Saul and Nava Ben-Meyer of Fredericksburg, Virginia. She is also survived by her devoted uncle and aunt, Marc and Nacole (Simonds) Zeevalk and her adored “baby cuz,” Lilla Zeevalk, as well as her fun-loving “guncles” Keith and Max Sorett-Gorman, along with her lifelong friends/confidantes Kaitlyn Sheehy and Annie Durante along with countless family members and dear friends who loved her deeply and she in return adored.

Sheridan was a proud Yorktown girl through and through, and she carried that pride everywhere she went. She attended Yorktown High School, where she was an athlete and a leader, participating in field hockey, lacrosse, and bowling among many other activities. Beyond her own HS teams, she gave

back to the next generation, coaching for many years with our incredible Yorktown Athletic Club, where she herself was an athlete for many years before pouring her heart into mentoring younger athletes and building their confidence both on and off the field.

She loved her hometown of Yorktown with a fierce loyalty—cheering loudly for her school, her teams, and her community. And she loved Loyola University Chicago, where she had begun building the next chapter of her life, embracing it with the same excitement, warmth, and spirit that defined everything she did.

Sheridan was everyone's cheerleader in every sense of the word. She had a way of making people feel seen, valued, and believed in. People often say someone "lit up a room" or had "inner and outer beauty," but in Sheridan's case, those phrases fall way too short. She radiated something even greater—a rare and unmistakable warmth, a spirit that was vibrant, compassionate, and full of life. She was funny, kind, and deeply loving, with a heart that made space for everyone.

She loved fiercely—her family, her friends, her community, and her faith. She brought people together, lifted them up, and made the ordinary moments feel extraordinary simply by being in them.

Her family would like to extend their deepest gratitude to the communities of Loyola University Chicago as well as their treasured hometown of Yorktown, for surrounding them with unwavering love, support, and compassion during this unimaginable time. They also extend their sincere thanks to law enforcement and all of their efforts to date in finding justice for Sheridan.

Though her life was far too short, Sheridan's impact is immeasurable. She will forever be remembered as a bright, beautiful soul whose love continues to

shine in all who knew her.

A private service for close friends and family will be held at The First Presbyterian Church of Yorktown on Saturday, March 28th at 2pm.

Community vigil for all who knew her and anyone who would like to celebrate her life with her family and loved ones will be held at Jack DeVito Veterans Memorial Field & Track 208-264 Veterans Rd, Yorktown Heights, NY, Saturday, March 28th at 6pm.

In lieu of flowers donations can be made in her name here [https://www.gofundme.com/f/support-for-the-gorman-family-cz6ns?attribution\\_id=sl:26a27b54-a11c-42bd-ab4a-2fe128ca3593&lang=en\\_US&ts=1774126041&utm\\_campaign=fp\\_sharesheet&utm\\_content=amp17\\_tb-amp20\\_control&utm\\_medium=customer&utm\\_source=native\\_options](https://www.gofundme.com/f/support-for-the-gorman-family-cz6ns?attribution_id=sl:26a27b54-a11c-42bd-ab4a-2fe128ca3593&lang=en_US&ts=1774126041&utm_campaign=fp_sharesheet&utm_content=amp17_tb-amp20_control&utm_medium=customer&utm_source=native_options)

“ Jess, I was there in the room as you spoke to the parents of ROTC kids at Vanderbilt last fall. You are an unforgettable lady with so much personality and a gift for communicating with others. This came through so well in your news interview. Just know I have been and will continue to pray for your family as you deal with this unspeakable tragedy. Both your daughters are beautiful souls!

“ I am grieved by what happened to your beautiful daughter. We stand with you in your sorrow. The only afterlife I've ever been assured of is how we go on living in others, and Sheridan will always be here, beating in your hearts. While we are mortal and thereby impermanent, LOVE is immortal and never leaves, even growing in absence. It is something of a miracle. The love energy never extinguishes and is ours for keeps. May her love sustain and keep you.

*I hold the image of her running towards the Northern lights! She is now among the light, casting her glow upon the world. Thank you for sharing her with us.*

“VERY IMPORTANT FROM MY HEART MESSAGE FOR ALL OF YOU.

*I saw the suffering in all of your eyes but especially daughter Madelon. She looks like she is in trouble emotionally. She looks so lost and confused and so scared, vulnerable, and fragile. Just looking at her eyes brought tears to mine. I just want to give her a hug and take away all of that away but I can't, so I'm doing what I can right now by sharing this in hopes that you read it as many times as you need to everyday! I can only share my experience strength hope and wisdom.*

*My message to all of you and others is do not let this act of evil go any further! Do not let it subtly manipulate or dictate your life. Do not let it allow it to control you or bring you down. It is not the boulders that we need to be careful of tripping over it's the pebbles. I am begging you to do what your beautiful daughter and sister Sheridan would want you to do!*

*The evil not only wanted to sabotage one beautiful soul that would have made tremendous change for the better, as I'm sure you are aware Sheridan did and would have brought love and hope and friendship to countless lives, and that's what evil doesn't want! Please do not take your eyes off the big picture here and understand evil never takes its eye off the big picture! Evil wants this to be a loss that never goes away and keeps taking and taking! By the initial act of taking one it's real goal is to take as many others from that initial act of evil.*

*Don't let it win! You might think easy for you to say, and it is easy to say but I can assure you it was not easy obtaining this knowledge! You might think what loss have you had? I can assure you I have dealt with unbelievable loss and Injustice. I had my entire life destroyed because of Injustice and evil, and I know it's because of the person I am because I'm a warrior for good, therefore I'm attacked just like your daughter. Please don't let it take anymore. I call it spiritual jiu jitsu. So yes I do know! We are in end times and evil is not going to settle with taking your beautiful daughter Sheridan. It wants your other beautiful daughters and all beautiful*

*souls! If somebody is already living evil they are left alone. Evil doesn't bother with them, because they're destroying themselves, and already doing its work. Evil only goes after those that are trying to live good and do good.*

*Please If you are ever feeling like giving up or giving in, or just not caring about being good anymore PLEASE believe me when I tell you this is what the evil wants! don't let it happen!*

*PLEASE Every time you're thinking negative or thinking of making a bad decision or becoming selfish and self-centered or whatever negative action or thought your contemplating PLEASE think what would Sheridan want you to do??? What would Sheridan tell you to do? What would Sheridan advise you to do? How would Sheridan want you to live your life as a result of her physical life being sabotaged?*

*Please it may not be easy to read this, but please think about her watching over all of you and witnessing you suffering causing suffering becoming addicted to drugs alcohol self-destructive behavior gambling whatever! losing your soul every day a little more closer to death just misery and suffering. Please think about her watching you being taken down by evil as a result of her being taken down by evil. Think about the horrible pain that would cause her. Please think about what she would wish you to do with all of this, and fulfill that wish that you know she would wish you to fulfill. I promise you if you practice this you will blossom this is spiritual jiu-jitsu. Practicing spiritual jiu jitsu. Taking something that is meant to destroy and turn it around to bring a thousand times more love and change for the better into the world. I believe this is what Sheridan would wish you to do.*

*If you ever need somebody to speak to or speak with that has had tremendous Injustice and loss I would be more than happy to speak anytime day or night. This is practicing spiritual jiu jitsu....*

*And if anybody else that has read this and has been touched or motivated and encouraged by what I have shared here you are also more than welcome to reach out even to just have a conversation or share your experience, strength, hope, and wisdom with me.*

*Thank you for reading.*

“ Sheridan was a beautiful, kind and thoughtful person who always wore a warm smile. Even at an early age, as she walked home from the school bus, she would always take a moment to greet us each time she passed by.

We will always cherish the simple yet so joyful moments we shared with her; Easter egg hunts in the backyard, laughter as she played with my children on her trampoline, and the unforgettable day her dad converted his 4x4 truck into a mini pool for the kids to enjoy. How epic was that?! ❤️

We feel truly honored to have known such a beautiful soul. Jess and Tom, thank you for raising such an incredible human being. She will be deeply and forever missed.

Our deepest condolences on your tragic and senseless loss. An empty space will always remain but the loving memories will always be with you. We fully understand what your going through between feeling of loss and anger. Back in November 2018 our son Michael was senselessly murdered in Florida at 26 while leaving for work in the morning. We live in Westchester also and made the papers at that time. Hope justice gets served royally. We can only say try to stay strong Through this senseless tragedy and know that no words can be expressed for this type of loss. Again the secret is to stay strong. Best.

“ Sheridan was the first person I called a friend in elementary school, and one of the kindest people I met during my time in Yorktown. I'll never forget how she took me under her wing in third grade when I was too shy to speak to my classmates, or how she made an effort to include me in games at recess. I remember how, when asked if she was nervous about moving up to Crompond, she said that she wouldn't be afraid at all, since "the Gorman girls would be together." Thank you, Sheridan, for encouraging me to speak up and put myself out there, and for reassuring me with your confidence until even I wasn't scared of a new school. I'll always remember you with your hair bows, and with your constant smiles, and with the pug-shaped crayons you gave out for Valentine's day. Thank you for being my first friend.
