“ When I had worked for a property management company she was the president of the association where she had lived, always enjoyed working with her on different projects, ( although she didn't most of the work herself!!) she was a very strong lady. I enjoyed chatting with her on Facebook after I retired and was wondering why I hadn't heard from her in a while. I'm terribly sorry to the family for your loss.

“ My Beautiful Honest Smart Funny Talented Generous Kind Thoughtful Driven Aunt who was my mentor and like a 2nd mom to me. We will forever treasure our memories and hold them, dear to our heart. May you dance in heaven, dressed to the nines, in your fur coat, dripping in diamonds as that is the way I will always remember you. You will be missed tremendously! Please say hello to mom and dad, Aunt Dollie, Bill, Don Junior, and the rest of the Luebben/Zgieb gang.

Love, Justin and Michelle (Luebben) Basso
